University of Lille 3, France - Gaziantep University, Turkey - Al-Manar University, Tunisia - University of Gafsa, Tunisia - Ibn Zohr University, Agadir, Morocco - Pázmány Péter Catholic University, Hungary - National School of Architecture, Toulouse, France - ...

3 - General organization of the training: Project status

Common Basic Education - First Year Literary Studies

Second year Linguistic Studies Arabic Literature (Classical and Modern)

Third year General Linguistics Specialty

- Algerian Literature- Contemporary Arabic Literature Master's degree General Linguistics

4 -Training content and contexts:

The Bachelor's degree in Arabic Literature provides a three-year training program that is based on the study of language, literature, history, social sciences, and civilizations of Arabic-speaking countries, taking into account their historical and geographical diversity.

Consequently, it equips students with the necessary tools of expression, along with a range of knowledge and practical skills based on language mastery.

5 - Training objectives:

This training offers a linguistic, literary, cultural, and historical approach to the Arab world in both its Middle Eastern and Maghreb aspects. The specialization emphasizes acquiring a good understanding of the Arabic language, literature, civilization, and cultures of Arab countries.

This enables students to gain knowledge and openness to the major challenges of this geographic and cultural complex, fostering global exchanges.

6 - Targeted skills from the training:

Graduates of this specialization can pursue the following career paths:

- Teaching positions at various educational levels: primary, secondary, etc.
- Jobs in journalism, media, communications, language policy, documentation (journalists, analysts, decision support, experts, consultants in linguistic and cultural mediation, communication advisors, public relations officers).

- Jobs related to culture and publishing (editor-in-chief, publishing secretary, scriptwriter, novelist).

The training in this specialization aims to develop the following competencies:

- Comprehensive knowledge of the Arabic language (pronunciation, grammar, syntax, lexicon, etc.).
- Knowledge of Arab cultures (civilization, history, literature, arts, etc.).
- Awareness of intercultural dialogue.

7 - Local, regional, and national employment opportunities:

By the end of this program, students will be able to:

- Express themselves fluently in Arabic in various cultural and social domains, as well as in different professional situations.
- Analyze and present various texts (literary, journalistic, theatrical) and audiovisual documents (radio, television) orally.
- Edit texts in Arabic on literary, historical, cultural, and social topics.
- Prepare presentations and comments on concise documents and files.
- Identify and analyze explicit or implicit cultural, historical, or political references from various sources (texts, iconic documents, videos).
- Master documentary and bibliographic research tools.

8 - Local, regional, and national employment opportunities:

Graduates of this specialization can pursue careers in:

- Teaching positions at various levels of education, including primary and secondary schools.
- Jobs in journalism, information, communications, language policy, and documentation (journalists, analysts, advisory and decision support, experts and consultants in language and cultural mediation, communication advisors, public relations officers).
- Careers in the field of culture and publishing (editor-in-chief, publishing secretary, scriptwriter, novelist).
